Re: A/P# 148349-C-09 (revision)

Your plans are ready to be picked-up. Please pull a ticket to see a cashier, and if paying by check, make it payable to the City of Las Vegas. MasterCard, Visa, and Discover credit/debit cards are also accepted. If you have any questions, please call the number above.

Photo ID is required with all in-person transactions.

Cashiers close at 4:30PM.

When picking-up a permit:

Licensed contractors must provide their:

- pre-printed company check or company credit card (company name must match license); **or**
- **if paying by any other means**, original Nevada State Contractors' Board card; **or**
- **if applicable**, authorized designee with a letter on company letterhead, signed by a principal of their company, specifically listing their designee's name, check number, and check amount.

Owner builders must provide their:

- proof of ownership (i.e., copy of deed to project property); **and**
- completed Nevada State Contractors' Board Owner Builder Affidavit of Exemption form; **and**
- **if applicable**, authorized designee with a notarized letter, signed by the property owner, specifically listing their designee's name and their permission to pick-up their permit.

If your A/P# starts with a five or six-digit number (e.g., 12345-C-06, 123456-R-07, etc.), you¹ can use our Automated Inspection Scheduling system by calling (702) **229-4677** to:

- pay your fees with your credit/debit card;
- schedule, cancel, or reschedule an inspection; **and/or**
- obtain status information about a scheduled inspection.

If your A/P# starts with a letter (e.g., L-1234-05, M-1234-05, etc.), you can use our Automated Inspection Request system by calling (702) **229-2071** to:

- schedule, cancel, or reschedule an inspection; **and/or**
- obtain status information about a scheduled inspection.

With either type of A/P#, you can also visit www.lasvegasnevada.gov/Schedule/inspections.htm to:

- schedule, cancel, or reschedule an inspection; **and/or**
- obtain status information about a scheduled inspection.

To use any of our systems to schedule an inspection, you will need to have ready:

- your permit number (i.e., the five or six-digit number your A/P# starts with, or if it starts with a letter, the eight-digit number found on your permit print-out and/or hard card);
- the street number of your project address;
- the three-digit inspection code number you wish to schedule or request (e.g., 101, 140, 902, 904, etc.);
- a contact phone number; **and**
- **if your A/P# starts with a five or six-digit number**, your² Personal Identification Number (PIN).

Note ¹: Licensed contractors must have a PIN to use our new system. To obtain a PIN, a principal of their company or an authorized designee (i.e., designated on company letterhead signed by a principal of their company) must apply in-person at the Development Services Center (DSC).

Note ²: Owner builders' PINs can be found on their permit hard cards and are unique to each permit number.

Effective January 1, 2009, the city Sewer Connection Fee increases to \$1884 per ERU and the regional CWC Sewer Connection Fee increases to \$849 per ERU.
